

Dear Neighbor:

The Computer School is a public middle school (grades 6-8) serving families from all over the Upper West Side, Harlem, and Upper Manhattan. We are a thriving, diverse community with a dedicated team of teachers, administrators, and parents.

Every spring the PA hosts an auction, it's our biggest fundraiser of the year. The funds raised help sustain important and essential programs and services offered in the school. PA funds help support everything from educational field trips, classroom libraries, updated technology, arts and sports programs, and so much more. The Department of Education's budget cuts and funding constraints directly impact children in the classroom. Additional funding sources are needed on an ongoing basis and we are asking for your help to ensure the continued success of our school.

Donating is a great way to promote your business while supporting our vibrant school community. Your business will be visibly promoted to over 300 local families who attend the live auction on April 29th. In addition, hundreds more will see your participation in our online auction, which will run in early April.

Your contribution is an investment in the future of our community...and it's good business!

Previous donations have included; merchandise, gift certificates/gift cards, discounts, tours or experiences, shopping events, restaurant vouchers, theater tickets, salon services, trips, vacation home use, wine, jewelry etc. No donation is too big or too small – each one helps our children and gives you valuable visibility for your business.

Donating is easy:

- Complete the attached form and return it by mail or email
- Donate online at: <https://thecomputerschool.wufoo.com/forms/the-computer-school-auction-donations-2017/>

If you have any questions or are interested in sponsorship opportunities, email us at auction@thecomputerschoolpa.org.

On behalf of our children, thank you so much for your support!

Best wishes,
The Computer School Parents Association Auction Committee
